### Before and After School Care (Kindergarten – 12<sup>th</sup> Grade)

Parents/Guardians must complete an Extended Care Form indicating which services are required in order for the monthly rate to apply. The student's account will be automatically billed for these services and payment is due on the 1<sup>st</sup> of each month. The monthly rate will apply as a convenience regardless of the number of times the service is utilized. It is the parent's responsibility to update and submit a new form when there is a change in service.

School accounts of children without an Extended Care Form on file will be charged the daily rate regardless of the number of times the service is utilized. Please see the Parent/Student Handbook for additional information. All students are checked in by a daycare worker.
