Scholarship families are allocated a \$400.00 total uniform allowance *per child* for the school year. Each child must have his or her own order form. Multiple students may not be combined on the same order form. Student accounts that exceed the \$400.00 uniform allowance, will need to be paid by the parent. If the total allowance amount is not used for the school year, S.H.C.A is required to return it to the issuing scholarship agency.

Parents should contact the student accounts office for amounts spent per child during the school year to avoid exceeding the \$400.00 total uniform allowance. *Any overages will need to be paid out of pocket by the family.*

**First Year Families will be expected to pay out of pocket for the initial uniform orders at the summer uniform sale. This money may be refunded at the end of the year - depending on the uniform allowance balance at that time. It will be the family's responsibility to contact the student accounts office to request a refund.**
