

Greetings Spring Hill Christian Academy,

Chick-fil-A® of Hernando County is looking forward to hosting your Spirit Night on Thursday, February 22nd, from 5pm-10pm. It is our pleasure to serve you and partner with your organization. Supporting your group has never been easier! All that is required is for you to come enjoy a delicious, chicken-themed meal and invite your loved ones to do the same! Here are a few ways to make this event successful.

How to have a successful Spirit Night:

1. The events will be virtual – through our App. Be sure to download our App and use code “SHCA1,” when placing an order. The code is case sensitive. Make sure our store location is favorited (select heart icon in right-hand corner).
2. Encourage friends, family, and coworkers to come to our store on Thursday February 22nd, between 5pm-10pm and to purchase their meal through the App using the code.
3. Have you tried our catering? If you are having a family get together, church function, or any other kind of gathering, a percentage of any catered order will go back to your group if the order is placed between 5pm-10pm. Simply input “SHCA1” in the special request section. *Whoever places the order will receive many points in the App.

The key to success will be to get as many supporters as possible using the code during your Spirit Night. In an effort to protect the comfort and experience of our guests who are not associated with your event, we cannot allow someone from your organization to pass out the code on store property. We look forward to serving you!
